Dated: Sept 14, 2023

## Extension of EduTrust-Certification validity to 1<sup>st</sup> Aug 2024

Dear Partners and Students,

I hope this memo finds you well. I am writing to inform you about an important update concerning Hanbridge Institute's EduTrust certification.

As you may know, our current EduTrust certification is set to expire on 1st April 2024. However, I am pleased to announce that due to recent changes in the EduTrust audit requirements, the SkillsFuture Singapore (SSG) has extended our EduTrust certification validity period until 1st August 2024.

### Background:

Since August 2023, the SSG has been progressively conducting onsite assessments based on the newly revised Guidance Document 4 (GD4). This document contains new requirements and guidelines aimed at further enhancing the quality of private education institutions.

### Implications:

The extension of our EduTrust certification ensures continuity in our educational offerings without any disruptions. This means that all of our existing and future partnerships, as well as student enrollments, will continue to be recognized and fully accredited.

### Government Notifications:

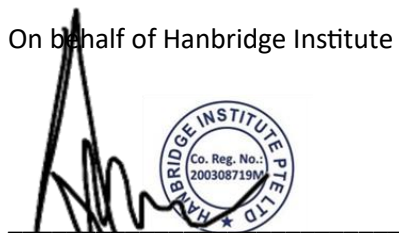

We would like to inform you that relevant government agencies, such as the Immigration & Checkpoints Authority (ICA), will also be notified of this extension to prevent any inconvenience that may arise due to the previous expiry date.

### Next Steps:

We will continue to work diligently to meet and exceed the new EduTrust requirements as outlined in GD4. Rest assured, our commitment to delivering high-quality education remains our top priority.

Thank you for your continued support and trust in Hanbridge Institute. Should you have any questions or require further clarification, please feel free to reach out to our administrative office.
