ADVISORY NOTICE TO PROSPECTIVE APPLICANTS AND STUDENTS

Beware of Scammers and Unauthorised Admission Agents

Dear Students and Prospective Applicants,

It has come to the attention of Hanbridge Institute that a certain group ("Sichuan Zero Pressure Education"/ 四川零压教育的中介公司) has been claiming to represent the institution.

This party is soliciting payments from prospective students under the pretense of representing Hanbridge Institute and our partner, University of Suffolk, charging for application and offers.

We wish to emphasise the following:

- 1 Hanbridge Institute **does not authorise any third-party individuals or agents to collect course fees on our behalf**. All official payments related to admissions, tuition, and other services are to be made only through our recognised channels listed on our official website (www.hanbridge.edu.sg).
- 2 Admission into Hanbridge Institute is based solely on merit and eligibility criteria as outlined in our official application guidelines. No individual or agency can influence the admission process in exchange for money or favors.
- 3 Beware of fraudulent emails, social media pages, phone calls, or websites claiming to offer guaranteed admission or services related to our institute. Always verify our official list of recruitment partners on our website here (<https://hanbridge.edu.sg/student/partners>). When in doubt, please bring up any communication with our admissions office or through official contact.
- 4 Students and applicants are strongly advised to remain vigilant and report any suspicious activity to the institution immediately at admin@hanbridge.edu.sg or +65 6513 0552.

Engaging with unauthorised parties can lead to financial loss, denial of admission, or other serious consequences. Hanbridge Institute will not be held liable for transactions made through unofficial channels.

Please take this warning seriously and help spread awareness to protect yourself and others in our academic community.

Sincerely,
Hanbridge Institute
